

Online Children's Center Reservation's

**** Before using the Children's Center an individual member wishing to make a Children's Center reservation must have an active junior membership and be assigned as an Authorized Guardian to the children using the center by bringing a copy of the child's birth certificate or proof of guardianship.**

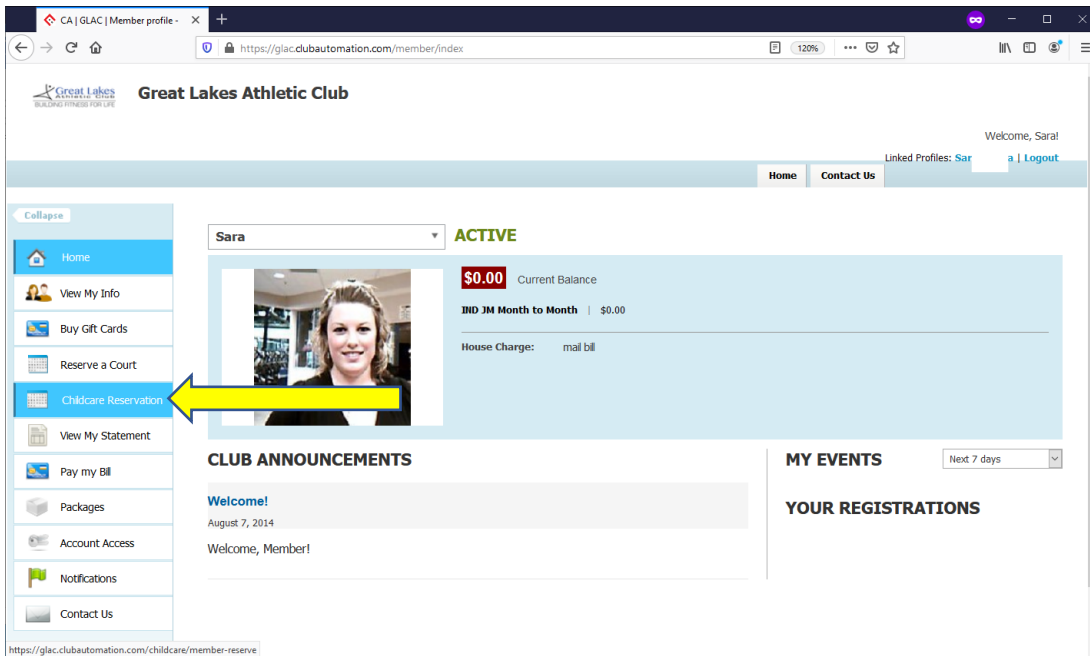

If these steps are incomplete, the Children's Center reservation option will not appear or function properly for the member.

-  1. Select which children are being dropped off. Families with multiple children can book them together on a single reservation.
-  2. Select a room. If multiple center rooms are separated by age, the system will place each child in the correct room by default.
-  3. Select a date to bring up a list of all times the center is available on that day.
-  4. Select the duration. CA will not allow a person to sign up for an amount of time that extends past children's center hours.
-  5. Select a time. This will bring up a confirmation screen.
